ElectroGoal	€ 500	€ 1.000

ELECTROGOAL SERVICES:

Electro Goal is a bouquet of services (*) reserved to agents which enable the full integration with wholesalers and manufacturers who use the Metel Services:

- Access to **Metel Data Pool** for consultation and research of the Metel Price Lists (the same database of the wholesalers)
- **CarbonCopy** to receive in copy the order sent to the manufacturers
- **MyMetel** to be part of the order cycle between manufacturers and wholesalers and to intervene when necessary
- **Metel Web Data Entry** to upload orders on the web and send them in Metel format
- **CloudEDI** to send/receive Metel documents from your own ERP

- (*) the activation of the agency is subject to agreement of the 3 parts: producers, wholesalers, agents.
